Health Check Reports

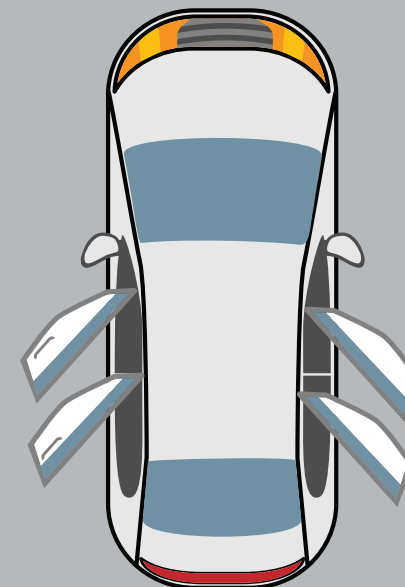

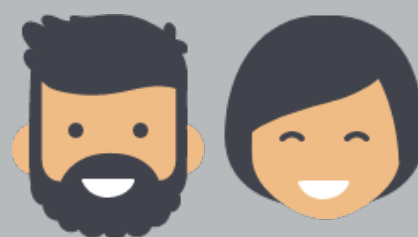

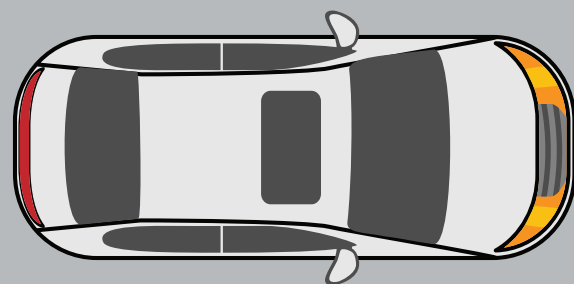

VehicleMRI health check reports can be easily printed in three different formats or emailed based on your needs.

- Summary page for a quick high-level view of categories to share with customers.
- Diagnostic page for techs to focus on what's wrong saving valuable time.
- Complete report which is perfect for pre-purchase inspections, annual vehicle health checks and special promotions.

Register at DENSOVehicleMRI.com. Program offer good from Jan through Dec 2019.

Open New Profit Centers

Increase your average repair order ticket by selling more parts and labor. Convert more estimates into jobs. Boost customer confidence and reduce come backs.

Did You Know That

Numbers reflected are from a two year pilot study. Five different test markets were performed all over the country.

- 13% increase ARO**
- 15% increase in parts sales**
- 12% conversion rate**
