Customized pricing on thousands of products.

## Use The Group's collective buying power to get business essentials for less.

As a member of The Group, you have access to a customized Staples program tailored to the products and services you need. But your Staples benefits provide so much more than that:

- Customized ordering site for your location at StaplesAdvantage.com
- Negotiated pricing on core items to save you money
- Receive an additional 2% discount on all online orders over \$50
- Next business day delivery with no shipping charges on supplies
- Use your credit card for easy online ordering

Say goodbye to shopping around, since you'll always get the lowest overall delivered price. Count on dedicated experts and account management for advice and inspiration on all your areas of business. And feel confident knowing you have a partner ready to help with whatever challenges your workday may bring.
